EUROPEAN ASSOCIATION OF PROFESSORS EMERITI

1st International Congress Invitation

Dear Colleagues,

The European Association of Professors Emeriti founded in October 2016, is organizing its first congress on May 30-31 and June 1, 2019 in Athens, Greece. Currently we count 210 members. The congress hotel will be Titania Hotel (4*) in downtown Athens. The purpose of the congress is to assemble Emeriti or Retired Professors from all over Europe and the world to present and discuss their opinions and views on how we can continue to provide services to our Alma Mater universities, and to society. Free communications are invited which will be presented either as oral communications or as moderated posters. A proceedings book will be published. Also thematic round tables will be organized. A special feature will be a half day seminar dedicated to "Back to learning-mentorship". The opening ceremony will be held in the ancient and impressive Lyceum of Aristotle. Also special sessions will be held in the historical "Aula" of the University of Athens, established 1837. A cultural program is also being organized and possibly an excursion to an archaeological site. A preliminary program is attached. There is no congress fee for members or corresponding members of the European Association of Professors Emeriti. Those who are interested in registering for the congress can correspond with Ms Georgia Drosatou (g.drosatou@gmail.com) to receive the necessary information.

We hope that you can join our congress next year because we believe that Emeriti and Retired Professors should meet and discuss ways of serving society and regulating their own activities. The deadline for registration/abstract submission is **November 26, 2018**.

Very Sincerely Yours,

Dennis V. Cokkinos
President

Luigi Campanella
General Secretary
