

To the National Delegates of FEAM Academies

You will find a press release on the EU Physical Agents Directive on the FEAM website following the good news that the revised Directive and a derogation for MRI were approved by the European Parliament and Council:

http://www.feam-site.eu/cms/docs/publications/PaD/FEAM_PhysicalAgentsDirective_July2013.pdf

Please do get this uploaded on your Academy's website and circulate it widely if possible.

For information, FEAM will co-host a joint Workshop on the Data Protection Regulation (17 September 2013, European Parliament, Brussels) with Science Europe, the European Alliance for Personalised Medicine and the UK Wellcome Trust. Further news will follow in the coming weeks but you may want to pencil this date in your diary if the topic is of interest.

Thank you very much in advance for your care.
